RCA

BUSINESS CLASS

VoIP Phone & Service

System is expandable up to 6 total handsets!

Each handset acts as its own phone so each employee can have their own account, phone number and extension.

Easy-to-Use Phone and Low-Cost Service Includes:

- Set up in minutes with your broadband Internet connection
- Unlimited calling to the US and Canada
- Expand easily by adding as many phones and lines as your business requires
- Full duplex speakerphone
- Caller ID
- Voicemail to e-mail
- Music on hold
- Digital receptionist
- 30-day service satisfaction guarantee

Benefits of the RCA VoIP Service

Cost savings
Cut your phone costs by up to 50% and enjoy unlimited long distance calling to the US and Canada.

Grows with your business
Add phones to your service as your business expands. Each employee has multiple lines to make or answer calls.

Unified communications
Make the most of your office communications. Control your IP phone features over the Internet, access voicemail over e-mail and pickup office calls on your cell.

Take your business where you need it
Set up a home office or remote office in minutes. Reach remote employees by direct dialing their extension. Great for employees who work out of the home!
